The light is among you

While you have the light, trust in the light, that you may become men of light.

# A M M

Now my soul is in turmoil and what have I to say? Father, save me from this hour. No, it was for this that I came to this hour

The light is among you, but not for long. So in your hearts, while you have the light, do not let your love turn to hate. He who goes in the dark does not know what he is doing.

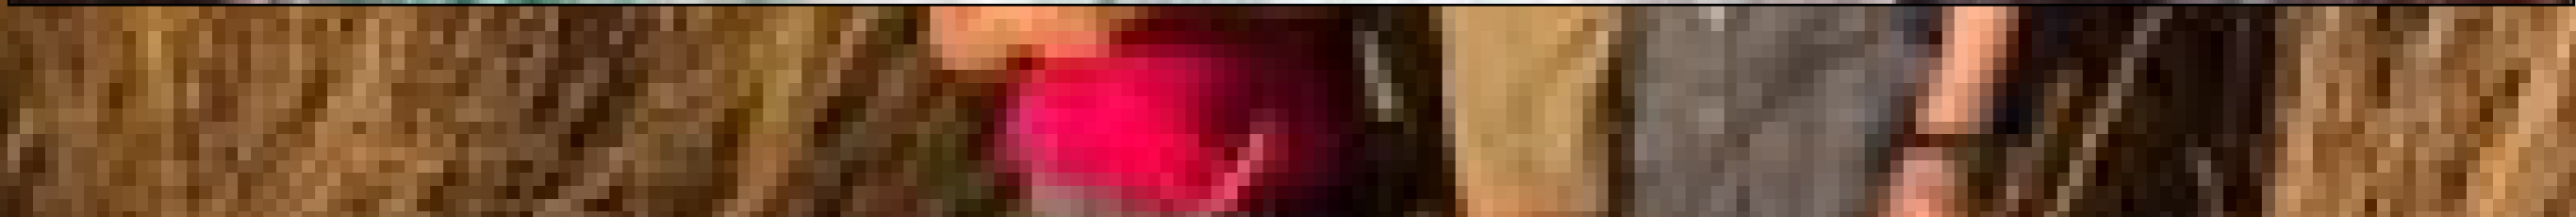

My way is known to you.
